2. The Government of India have agreed that in the case of businesses whose headquarters are in British India but which have branches in Mysore or carry on business in Mysore, a deduction shall be made from the Indian Income-tax payable on the profits of such buninesses, of the amount of Mysore Income-tax that would be payable on such portion of the same profits as appear to the Income-tax officer in British India to be due to transactions in Mysore. Businesses with headquarters in Mysore which have branches or dealings in British India should be assessed by the Income-tax authorities in British India to the full amount of Indian Income-tax due on the profits in British India only. I am to request that all Income-tax officers may be instructed accordingly.
